# On the Spur of the Moment

By Roy K. Moulton

Hickeyville Will Celebrate. (From the Hickeyville Clarion.) Hickeyville is going to celebrate the ourth of July this year in grand Fourth of July this year in grand style for the first time since the Chicago World's Fair. It seems as though, by this time, there should be and one high on the road. Another then to devote the night to the counting of ballots. Voting machines will meet the need. As soon as the election of a toy. These seem trifles, when bally with Sunday.

In the to devote the night to the counting of ballots. Voting machines will meet the need. As soon as the election is over, they accurately register the set against the energous economic sover, they accurately register the room of Elihu Simm's drug store. Doe Hanks bought for the bunch, and he was made chairman of the evenin'. Ways and means was talked over to some extent, and the committee got home at 4 o'clock next morning be seen that it is going to be some-

thing quite elaborate.

First thing off the reel, Doc Hanks said it would be necessary to have a spectin' Fourth of July was ever pulled off without a committee. Some people think they suffer in hot weather, but they-

Don't know what real suffering is.

being from the report of Hon, C. Lee Moore, the State Auditor.

Says Mr. Gaines, "neither the legislative, executive nor judicial departtheir duty, and we want a revolution."

That clique of men that we have around every courthouse and city, and who style themselves Democrate, and who are the real Democratic party in Virginia, cannot be reformed or made over into real Democrats. Virginia must have a "party of opposition."

In no other way can we attain to the needed reforms.

Dispatch has made and won for the people of Richmond in behalf of pure good than any other agency in ridding a city of contaminating influences, but a newspaper should not overstep the bounds of propriety or seek to destroy the filtering plant, and The Times.

Game to Be Protected.

To the Editor of The Times-Dispatch:
Sir,—The editorial in your paper of
the 22d, on the subject of game prothe 22d, on the subject of game pro-tection in the State of Virginia, was well calculated to stir up a feeling of general interest on that important views expressed by you, and at the same time say that very recently the Virginia Game and Fish Protective Association has been organized in this song birds, in the Old Dominion, to see that proper laws are made and then enforced. The constitution and the entorce. The constitution and by-laws, as well as other literature of the organization are now in the hands of the printer, and will be soon ready for distribution. A State-wide canvass for members is contemplated, and will soon be put in active operation. It is fully realized by those who are engaged in this good work that both J. D. Dunn, T. P. Howle, A. E. Kellam E. Clark; press committee, Joseph But PRESS COMMITTEE.

# MORE VIEWS ON CARLTON M'CARTHY'S VIOLENT TALK

Dispatch has made and won for the

Indepolitical economy in public office, is they are not practical (?) enough. The object was to have a governing body that was more responsive to the people and more progressive. The people need a trained man who knows the why and the wherefore of covernment. The "cotchouse ring" have they only temporarily erred in Richmond's Administrative Board.

So far we have seen nothing in The Times-Dispatch not in keeping with legitimate newspaper criticism.—South Boston News.

"Nots." want a man with a big voice, a bar-becue digostion and a feeling of grail. and ward-heelers? As new members, Ledger-Dispatch

Tax the idle land into use, and business will expand, and prosperity can't be kept away. "PIEDMONT." Into the condition is a city the red industrial conditions prevailed here conditions prevailed here. this connection a great service not only | vertiser. to Richmond, but to many people in other cities, for now they will be on

general interest on that important cerned, that is all rot. It will help if like really cures like, large doses matter. We wish to thank you for the views expressed by you, and at the because the public feels reassured by the fact that every precaution is being taken to guard the public health. People do not run into epidemics and sociation has been organized in this city, this new organization being the outgrowth of an older organization. Which has existed for some years. The aims and object of the new organization will be to protect game, fish and the person of Dr. Leyv. the person of Dr. Levy.

The Times-Dispatch has wen a fight

for honest newspaper publicity that will be far-reaching, nor will its editor be blown up or killed in a duel with any member of the present Administrative Board. "Barking dogs never bite."— Williamsburg Gazette

Newspapers and Men. The bitter denunciation of The Times-Dispatch by ex-Mayor McCarthy the country and city sportsmen must to-operate in the heartiest manner in order that the best results be obtained. We trust that our State press will lend its valuable aid to this move on the part of Virginia sportsmen, to protect all game, fish and also the many varieties of song birds in the State. The officers of the reorganized association are as follows: President, association are as follows: President, association are as follows: President, and treasassociation are as follows: President, W. P. Patterson; secretary and treasurer, L. T. Christian; executive committee, J. M. Bossieux, A. L. Hutt, C. H. Winston, M. D. Hart, W. L. Todd; Membership committee, E. R. Lafferty, J. D. Dunn, T. P. Howle, A. E. Kellam, J. D. Dunn, T. P. Howle, A. E. Kellam, J. C. Dunn, T. P. Howle, A. E. Kellam, J. C. P. P. Howles, A. E. Kellam, J. C. P. P. P. Howles, A. E. Kellam, J. P. Howless, A. L. Hutt, C.
